

# Calling All BAMS Parents!

**Make a difference and join a winning team of parent volunteers!**

This year BAMS was awarded with the California Distinguished Schools Award! Each year PTSA supports various campus programs to support our students and teachers ensuring an outstanding educational experience.

We cannot do this without the help of Parent Volunteers. BAMS PTSA encourages ALL PARENTS to volunteer, regardless of whether you choose to become a PTSA Member.

Please check all categories that you may be interested in contributing a bit of your valuable time and talent... any help you can provide makes a huge difference in our student's & teacher's experience here at BAMS. Your help is GREATLY APPRECIATED!
