

Welcome to Discovery Key Elementary

Thank you for considering to volunteer.

Every year, Palm Beach County School District requires EVERYONE that will be volunteering on and off campus to register prior to being allowed to participate in any school events, including field trips. You can stop by the main office to register. Once you are registered, you must sign in when you arrive and sign out when you leave. It is important to log your hours as the district keeps track of our total volunteer hours and we can be recognized for having outstanding volunteers.

Throughout the school year there are many opportunities to volunteer...
