Office of the Principal, **Stacey Rogovoy**

January 30, 2017

Dear Parents/Guardians:

We are excited to roll out the Library Link Program at College Gardens Elementary School, in partnership with Montgomery County Public Libraries (MCPL). This program is designed to ensure that all of our students have access to the numerous materials and resources available through MCPL.

In particular we want to highlight that MCPL offers many foreign language resources, as well as a number of excellent free language learning tools, such as Rosetta Stone and Mango Languages in a wide range of languages, including English, Spanish, Mandarin, French and many others. You may access these resources utilizing your child's library card number through the MCPL website, either by searching for "Online Language Tools," or by using the following link:

**<http://montgomerycountymd.libguides.com/elibrary/languages>**

It is our hope that this free online access through MCPL will enable you to support your child's language learning, whether your child is an ESOL student, a Chinese Immersion student, a dual language speaker, or whether your child just wants to learn an additional language.

We appreciate your support, and we hope that you will support your child to take advantage of all of the opportunities for learning that this initiative provides.

Sincerely,

  
Stacey Rogovoy  
Principal
