MONDAY

All About Air

K-2, \$130

There is something in the air this club season...it's Nitrogen, Oxygen, and Carbon Dioxide! This fun program will be All About Air! What is it, how do we use it, and what can it do?! We will explore, pressure, flight, wind force, and so much more! (Taught by Mr Bond's Science Guys)

Hogwarts Academy

K-2, \$190

Perfect your magic skills in this interactive, creative, spell-binding class! Find out which house you belong to and learn how to make potions, use your wand, identify creatures, and more! Witches and wizards of all ages will graduate the Academy with the supplies and skills to use their magic for good (each child gets to keep their wand and scarf). (Taught by Parker Anderson)

Soccer

2-4, \$120

Kick, dribble, score and more! Learn to play on a team and be kind and courteous to others through the exciting, fast-paced game of soccer. Bring a water bottle; cleats not necessary. If weather prevents the club from being held outside, the club will move indoors and feature activities like cup stacking, playing board games and more. (Taught by Eakin Teacher Erin Stephens)

Tennis (3-4:15)

K-2, \$135

Whether your student has never played or knows his or her way around a tennis court, Eakin's tennis club is for you. Taught by Eakin's own Ms. Hilary Strickland (who's not only an amazing teacher but a tennis pro), this club teaches the basics of tennis, from rules to grips to more. Bring your own Jr. tennis racquet.

Twirling

K-4, \$190

Baton twirling is a performing art, a competitive sport and a fun, unique recreational activity, all rolled into one! Twirling enhances coordination, teaches self-discipline and builds confidence. In baton twirling club, participants will learn basic twirls and tricks, and fun routines to music. Each student gets to keep their own baton - come join the fun! (Taught by Parker Anderson)

Tennis (4:15-5:15)

3-4, \$115

The 4:15-5:15 offering of tennis will only run for 8 weeks because it will get dark earlier in the evenings after daylight savings time and be too difficult to practice that late by the end of the season.

This tennis club is perfect for students with some previous exposure to the game and especially those in aftercare programs that can meet later. Taught by Eakin's own Ms. Hilary Strickland (who's not only an amazing teacher but a tennis pro), this club teaches the basics of tennis. Bring your own Jr. tennis racquet.

TUESDAY

All About Air

Yoga

K-4, \$155

This club will introduce teach students self-respect and respect for others through the practice of fun yoga poses, games, breathing exercises and basic alignment. With plenty of movement, we seek to improve strength, flexibility and coordination, while also teaching kids how to focus and center themselves. This club is great for kids who enjoy gymnastic activities, have extra energy, or have trouble focusing or sleeping. (Taught by Habitat Yoga)

Tennis (4:15-5:15)

3-4, \$115

****The 4:15-5:15 offering of tennis will only run for 8 weeks because it will get dark earlier in the evenings after daylight savings time and be too difficult to practice that late by the end of the season.****

This tennis club is perfect for students with some previous exposure to the game and especially those in aftercare programs that can meet later. Taught by Eakin's own Ms. Hilary Strickland (who's not only an amazing teacher but a tennis pro), this club teaches the basics of tennis. Bring your own Jr. tennis racquet.

WEDNESDAY

Art Club

2-4, \$140

Can't get enough of art class? Join Eakin's art teacher, Ms. Emerson, for art club once a week! Projects will provide opportunity to work with a variety of media.

Baseball

K-2, \$120

While learning the game of baseball, students will learn to hit water balloons, tennis balls and wiffle balls. They will also learn to catch water balloons and raw eggs without dropping them. Then they will play water slide baseball and wiffle ball games--all while secretly learning the game of baseball, its complexities and fun sides. Children do not need a glove or a bat (but they can bring them). Students will also learn the fundamentals in a fun way along with the rules of baseball and character-building messages about the game. (Led by Eakin parent Derek Crownover, with coaching by a former Lipscomb University Coach)

Chess

K-4, \$265

****Chess will be offered as a year-round 28 week club, starting the week of September 9th. This price is for the full year.****

Learning the game of chess is just the beginning of this enriching club. Through this thought-provoking game of strategy, students can also gain enhanced problem-solving and logical reasoning skills, increased attention span, improved patience and self-esteem. Students have the opportunity to participate in chess tournaments throughout the year if they're interested. (Taught by the Nashville Chess Center)

Sign Me Up (ASL)

K-4, \$345

****Sign Me Up will be offered as a year-round 28 week club, starting the week of September 9th. This price is for the full year and students will keep the books/materials used during the club.****

This American Sign Language club is designed for hearing kids to learn about Deaf culture and language. Filled with fun and innovative learning tools, the club promotes community building and language acquisition. Your child can be bilingual through learning American Sign Language and be more welcoming and inclusive of the Deaf and hard of hearing, a cultural and linguistic minority in our community. (Taught by Bridges for the Deaf and Hard of Hearing)

Tennis

2-4, \$135

Bring your own Jr. tennis racquet.

THURSDAY

Baseball

3-4, \$190

This club will work to develop baseball fundamentals with various drills and games. The club will be fast paced and station centric. Students can expect to stretch, play catch, work on base running, and complete fielding/throwing drills. Cleats are optional, but a baseball glove is required. (Offered by Parker Anderson, primarily coached by Eakin parent Trey Stuart)

Jurassic DinoWorld

K-2, \$190

Learn all about Dinosaurs in this fun, hands-on class! Explore the Triassic, Jurassic, and Cretaceous eras through all sorts of project-based activities: Dino Digs, fossil hunts, and 'Dino of the Day' activities! You even get your own Dinosaur Egg to take home with you! (Taught by Parker Anderson)

Garden

K-4, \$150

Garden Club offers students a chance to play in the dirt and work outside. Building raised beds, planting seeds, maintaining a healthy garden and harvesting the vegetables is just the beginning! Gardening offers hands-on, experiential learning opportunities in a wide array of disciplines, including the natural and social sciences, math, language arts and nutrition. Let's plant the seed! (Taught by Parker Anderson)
