

**PANDEMIC
EDITION**

Eakin Elementary presents...

Eakin's Got Talent!

We're not letting a pandemic stop us from holding one of Eakin's most popular events. The Talent Show must go on! But since we can't meet in person, we'll be holding a Talent Show Watch Party on Monday, May 3 at 6 p.m., via Zoom and Facebook Live.

Are you an Eagle with talent? You don't have to worry about stage fright this year! Just record yourself performing your talent in a 4-minute video (or shorter!). Any talent goes—just make sure it's school-appropriate!

Send the video to eakinpto@gmail.com by Tuesday, April 27.

We will upload the video on our private YouTube channel and we'll share our screen during the watch party! Don't worry, people outside of Eakin won't be able to view these videos.

Note: We cannot guarantee entries submitted after Tuesday, April 27 will be included, due to the time it will take to upload videos and create a Talent Show program.

Want to just watch the Eakin talent show? That's great, too! Order a pizza, pop some popcorn, and crowd around the computer screen to celebrate and cheer on your fellow Eagles who will be showcasing their talents with our community.

And stay tuned to the very end for a special surprise! In a year where we've all missed out on so much fun, Mr. Hartfelder is promising to fill just a tiny bit of the void with a special musical performance! Starting on Sunday, April 18, your family will have the chance to decide what song Mr. Hartfelder will sing! Donate money to one of four songs and the song with the most money raised wins. (Yes, really!) All money raised will benefit Eakin Elementary. Be on the lookout for more information and how to place your bids.

Is the talent show this year going to be different? Yes, it is. Is it still going to be great? Yes indeed! Questions? Email eakinpto@gmail.com.
