I hope that everyone enjoyed their Spring Break and got to spend a lot of time with family and friends.

The upcoming months have a lot of activities! Please keep a close eye on this newsletter to stay informed.

Once again, our attendance is doing FANTASTIC! On Tuesday March 26, we had 97% attendance! Only 11 students were absent and only 12 tardy. That is a monumental achievement! We are thrilled to see these numbers and hope to continue to see this improvement throughout the remainder of the school year. As a reminder, if you will be going on vacation, please come to the office to fill out an "education leave" form. These forms need to be filled out and turned in 2 weeks prior to the vacation. It allows the teachers to be aware AND to compile missed work so that they student can stay caught up on their assignments.

Thanks,

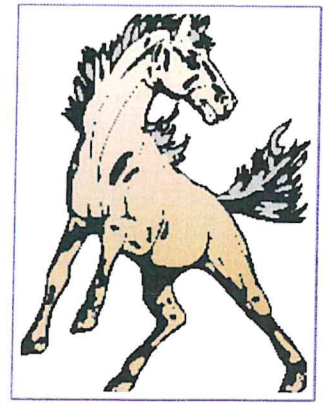

Dr. Angela Wilkinson

## **NOVA GRADUATION**

Congratulations to our 5<sup>th</sup> grade students who have worked very hard over the last 10 weeks or so with our Sandy City Officer, Officer Butler, to complete their Nova Principles program. The mission of the NOVA principles foundation is "Nurturing youth to seek out positive Opportunities, internalize good Values, and to accept Accountability for their choices in life. In order for them to graduate with a certificate of achievement award they are required to write a personal constitution. This constitution becomes a guide and road map to give them direction and focus in life as to what they wish to accomplish. They were also given the opportunity to read theirs for their classes. If you'd like to read more about the NOVA program you can go to [www.novaprinciples.com](http://www.novaprinciples.com). Also, a BIG THANK YOU to Officer Butler for his hard work in teaching and running the graduation ceremony on March 27<sup>th</sup>, and also to our PTA for providing the refreshments.
