At that time, we will provide information on the kindergarten day and classroom activities, as well as answer any questions you have about the program. This presentation is geared for parents. Please join us for an informative evening. The webinar will be recorded and available on the BBS website the following day.

On Thursday, September 3rd at 10:30 AM for PK students and 11 AM for K students we will have a practice bus ride for PK and K students. Please meet us in the front circle on Rye St. Students will board the bus, the driver will briefly tell the students the bus rules and then drive them around the block on Windsorville Road. Please wear a mask and socially distance.

Kindergarten students will begin school on Tuesday, September 7, 2021. The Kindergarten team will use the four days prior to screen each student one-on-one for **20-25 minutes**. This will allow the teachers to develop a connection with your child and observe their learning styles and needs. The teacher will greet you and your child outside the main office. The teacher will bring the child inside the school, while you wait in your car in the south parking lot. There will be spaces marked. While your child meets with his/her teacher you will have an opportunity to complete a questionnaire about your hopes and dreams for your child. You will also have the opportunity to have a brief conversation with the teacher when the teacher brings your child back outside to you. Both you and your child must wear a mask. Screenings will be conducted during the school day from August 30-September 2, 2021.

You will be able to schedule your child's screening at the Kindergarten orientation through SchoolAppointments.com starting on August 16, 2021. If you need assistance, please call the school office (860-623-2433) to schedule your child's screening appointment.
