we declare a

PENNY

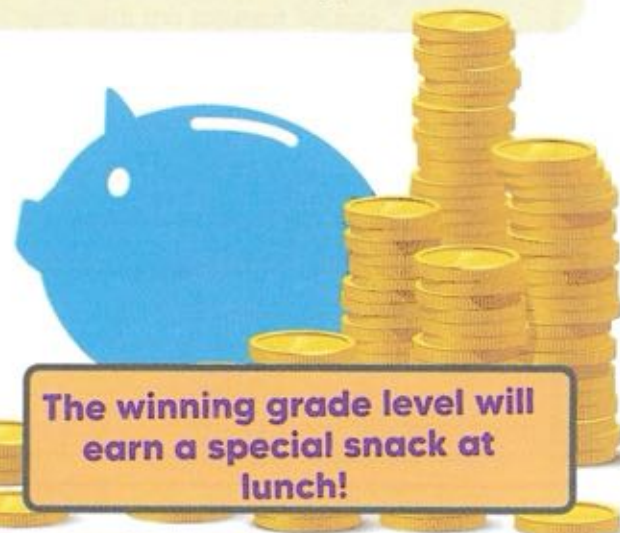

WAR

March 26th - March 28th, 2024

EWMS 8th Graders are raising funds for their field trip to High Meadow!
All proceeds raised will go towards offsetting the
cost of the trip.

HOW IT WORKS

Each penny raised is worth one positive point, so fill up your grade's jar with pennies and bills between March 26th - March 28th during lunch waves. Each grade gains points by adding pennies and bills. You can also lower other grade level's points by adding nickels, dimes, or quarters to their jar!
