

KENNESAW STATE
UNIVERSITY

DEPARTMENT OF MECHATRONICS ENGINEERING

Mechatronics Day Fall 2019

December 6, 2019
1:00 p.m. to 4:00 p.m.

KSU Gymnasium
635 Walter Kelly Road
Marietta, GA 30060

Robotics Competition

This is a great STEM event for anyone who loves robots. The main event is a live robotics tournament where KSU students in the Intro to Mechatronics class compete for fame and glory.

Interactive Demos

KSU Student competition teams will be present with live interactive demos with autonomous vehicles and robots. K-12 groups are encouraged to attend and participate.

RSVP Online Today

RSVP Online: <https://forms.gle/9CZHUUXAphdtKKYU7>

Become a Sponsor: <https://community.kennesaw.edu/mechatronicsday>

Contact Cecilia McDaniel with event questions at (470) 578-7234 or via email at mechatronics@kennesaw.edu. All events are free and open to the public.
