WHAT LIFTS YOU?

Lockeland Dreamin' - Annual Art Show and Night of Related Arts 2018

Join us for a night of related arts activities on Friday, April 13th, from 5:00-7:00 p.m. This is a night of fun for the whole family celebrating Lockeland's amazing related arts program and how our student's boundless creativity lifts our school and our spirits. We dreamed up these activities for the event:

- Create hot air balloon, butterfly, or owl suncatchers and windchimes in the art room, hosted by Ms. Parke.
- Get your face painted with Ms. D in the library.
- Explore STEM with coding activities, led by Mr. O.
- Get inspired by what's lifting you and decorate Rocas de Ensueño (dream stones) with wings, Spanish messages, and designs, led by Maestra Guzman in the Spanish room.
- Lift each other up by creating climbing challenges and obstacle courses on the rock wall with Mr. Schumacher in the gym.
- Get your head in the clouds and dream up lyrics with Ms. Barnes in the music room.

Art show: Our students have been working so hard on their beautiful artwork which will be displayed throughout the school! Grab an artwork map at the welcome table when you arrive to make sure you don't miss any of the awesome displays!

Picnic Dinner: Grab some dinner from the food trucks outside – delicious hot dogs from Daddy's Dogs, Hispanic cuisine from Florinda's Cocina Food Truck, and sweet treats from Pied Piper Creamery! If the weather is nice, bring a blanket to eat outside. If it is rainy, bring your food into the cafeteria to eat!

Volunteers needed! We need your help to make this event a success. Go to sign up genius <http://www.signupgenius.com/go/30e0b4daaa82ba1fb6-ldcnight> to volunteer to help out with one of the night's activities!
