Family Tech Talk

hosted by an Internet safety expert

Learn the risks your kids face online and how to help them use the Internet safely

This free Zoom event is presented by a cyber security expert from Trend Micro's Internet Safety for Kids and Families Program.

Learn about:

- Online gaming and social media insights
- Tips for managing screentime
- App settings for age-appropriate content
- Best practices to help your kids be safe online
- Ways to set your child's devices
- Plus, ask your own questions!
