

10 Reasons you should join us for RAE Volunteer Kickoff!

1

Your child benefits when you are involved!

When parents are connected to the school, children do better. Show your StingRAE that their school is important

We make a difference!

We want to create a school community where teachers and administrators - AND our children - can do their best work. We provide support, resources, learning opportunities, and a supportive, caring atmosphere that makes learning fun.

We pledge to honor your time!

An hour or two a semester really makes a difference. We won't push you to commit to more than you want to. We know your time is valuable!

We do have fun!

Volunteer work shouldn't be drudgery. We accomplish a lot, and not everything is easy. But we know we're not balancing the national debt either. We try to enjoy ourselves along the way.

Meet nice people who share your concerns.

We all have a common bond. We care about creating the best possible educational experience for our children.

There's a lot to be done.

These days, schools are asked to do more with less. Our help is needed more than ever to fill in the gaps.

We're welcoming.

There are no outsiders. We are people that have come together working towards a common goal - creating an environment that benefits our kids - we couldn't be happier to have you join us!

We're about Parent involvement

Our number one goal is to get more parents connected to RAE. Research shows that parent involvement in education creates a great school and improves student performance.

This work is very rewarding!

It's seeing the bright light of learning in a child's eye; the smile that shows you school is fun and a child feels comfortable in a learning environment. There are lots of rewards, both big and small, for those who get involved.

We like to feed you!

We'll have coffee and light snacks for you. Won't you join us?
