

**PTA and San Juan Children's Education Foundation (SJCEF)
Joint Back to School Donation Drive
2021-2022 School Year**

San Juan Elementary enjoys support from two parent support organizations, the PTA and SJCEF. These organizations work together to provide funding for critical programs, technology, and supplies for the School.

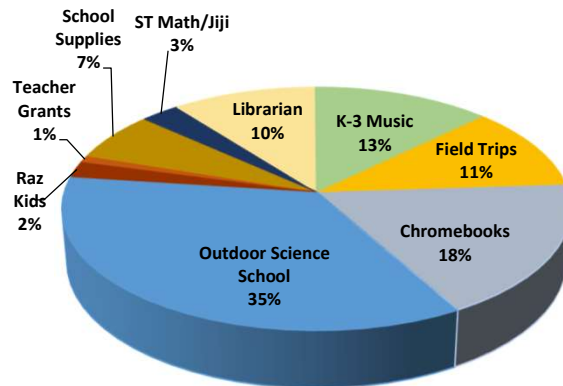

Through generous donations and support, the PTA/SJCEF have been able to provide funding for the items illustrated in the graph to the right.

Annually, the two organizations spend \$179/student or \$140,000. This year we are approaching fundraising differently. Many smaller fundraisers are being eliminated and the focus will be to grow our three signature events: Jog-a-thon, Spring Festival, and Noche de Gala, and pilot a fall donation drive.

We ask you to consider supporting the critical programs for the school during the fall donation drive. The donor levels are as follows:

SJCEF/PTA Funded Programs 2021/2022

Sponsorship Levels

Annual Program Cost \$140,000 or \$179/student

| Donor Benefits | PTA | Cougar | Bronze | Silver | Gold |
