

# WE WANT YOU IN THE YEARBOOK!

We are working hard to create a yearbook that will be packed **full** of *fun* photos, and we need your help!

## PHOTOS WE NEED - CHOOSE 3 OR 4 TOPICS

### Waters Edge Elementary Students & Parents,

We will not be able to include in the yearbook every image we receive, but we will try our best to include at least one image of every student who submits a photo. That's why we recommend you respond to only 3-4 of the photo-collection campaigns. Thank you so much for your participation!
